## SKÅNES SOMMARLAND

### VATTENLANDET

No one leaves this part of the park without getting wet! You can be sure of that. There are 9 pools (all with pleasantly warm water) and 13 different water chutes - Hyper,

Tossestupet, Surfin' Hill, Vilda Forsen

... If you really want to splash out, don't miss the big adventure pool,

Tosseplasket. Alternatively, if you prefer to take things a little easier, you'll find plenty of space and lots of sunbeds to relax here, there and everywhere.

### TIVOLLILANDET

You don't need any coupons or tickets in the amusement park. Ride as much as you like.

There are roundabouts and rides for all the family. All you need to ride again is to

join the end of the queue. However,

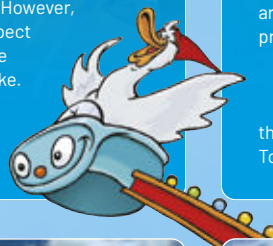

please make sure you respect the safety regulations. The

rules are there for your sake.

They will keep you safe

- while we keep you

entertained.

### SOMMARLEK

There so much fun to be had in the great outdoors. Go canoeing or rowing on the lake. Bounce up and down on the bouncy mats. Play and clamber on the bouncy castles. Eat, relax and have fun together around our barbecue sites (we provide charcoal and lighting fluid).

But whatever you do, don't miss the chance to challenge yourself and your friends on the 10-metre high climbing wall, Tosseklippan.

### TARZANSKOGEN

Swing from the lianas, balance on poles and play "Don't Touch the Ground" on our Tarzan Trails. This year we've added two exciting new obstacle courses, one of them for younger children. Come and test them - if you dare. Tarzan's Forest also has some other surprises in store, including a Red Indian village and an extended Dinosaur Domain. Family and friends can challenge one another to a game of mini-golf. You can even pan for gold down by the Forest Kiosk, and exchange your "gold" for a genuine Tossellilla Medal.

### KUL PÅ HJUL

There is something for every speed lover here - go-karts, crazy bikes, dodgem cars on water and Segways (for visitors 1.50 m tall and above). There are two go-kart tracks at Tossellilla, a large one for drivers 1.50 m tall and above, and a miniature track for youngsters 1.20-1.50 m tall. Please note that, regardless of age or height, all go-kart drivers must be able to accelerate, brake and steer.

### TOSSEARKEN

There are lots of different animals for you to see at Tossellilla. Stroke and feed the goats, and visit our Shetland ponies, cows, Highland cattle, sheep, miniature pigs, rabbits and alpacas. Don't miss our special Alpaca Trek which will be available on certain dates. There are also peacocks and various breeds of hens and ducks.
